Website Features Community Calendar

In recent months, the Village of Westmont launched a new Community Calendar on the municipal website, www.westmont.il.gov. The new on-line calendar should provide great benefit to residents who like to search the web for community info.

The calendar can be found on the upper right side of the Village's website home page. A **Community Calendar** appears as the default calendar and features information regarding all community events and meetings that have been posted. Website visitors who prefer to modify their search, government meetings exclusively for example, have the option to control which calendar they view.

Village Eliminates Refuse Subsidy SUBSIDY ENDS JULY 1

On June 20, the Village approved a new ordinance that eliminates garbage subsidies in Westmont.

"Westmont was one of the last remaining communities in DuPage County to have a refuse subsidy," says Village Manager Ron Searl. "The refuse subsidy has become fiscally untenable in recent years and the board appropriately updated the ordinance to reflect the needs of our community and the realities of the current economy. This will add much needed revenue to our budget in order to maintain the excellent services that our residents have come to expect."

The new ordinance will be put into effect July 1, 2005. The new ordinance will not affect current waste hauling service or procedures with Waste Management. Residents will continue to be billed for their garbage service on their quarterly water bill. The new quarterly rate for refuse pickup is \$32.25, which breaks down to \$10.75 per month.

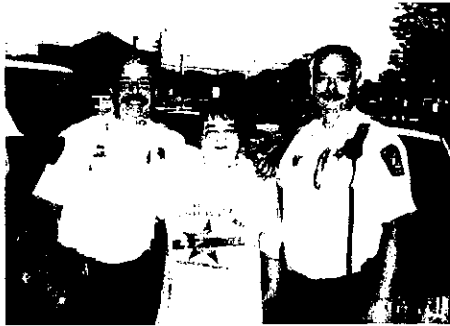

Village Clerk's Office Offers E-Pay Program

The Westmont Clerk's Department has initiated an E-Pay Program that allows residents to receive and pay their quarterly water/waste hauling bills on-line. The program is being offered as a convenience to residents who prefer to use the internet to pay their bills. The E-Pay Program accepts Master Card and Visa. To sign up for E-Pay, residents may fill out the application at the Village Clerk's Office at 31 W. Quincy, or download the form from the Village Website at www.westmont.il.gov. For further information, contact the Clerk's Office at (630) 829-4400.

Dawn King Named Citizen of the Year

Westmont resident and volunteer extraordinaire Dawn King was awarded the Westmont Citizen of the Year title at this year's Annual Chamber of

Commerce Awards Banquet. King is most known for her volunteer work with the Police and Fire Departments. Her efforts have earned the Village a \$20,000 grant to assist with the creation of the CERT (Citizen Emergency Response Team) program as well as writing the winning application for last year's Governors Home Town Award for the Westmont Citizens Police Academy. Craig Grember and Sharon Macak were also honored for their incredible volunteer service to the community. In accepting the award, King paid tribute to all of Westmont's many volunteers. The Village of Westmont congratulates and thanks Dawn (pictured with Police personnel Jeff Olsem and Randy King) for her continuing support of the community.

ARTISTS IN THE PARK Monthly Summer Event Features Local Artists

Last year, the Westmont Area Friends of the Arts (WAFOTA) introduced the Artists in the Park series. The event features local artists and their mediums ranging from sculpture to glass making to poetry to music. Artists in the Park will be held in the downtown Westmont Centre Plaza next to the train station.

The next event is scheduled for August 6, and the final and Sept. 3. During the month of July, WAFOTA will feature live artists in action at the Taste of Westmont. **For more information, contact WAFOTA Co-Chair Tammy Deck at (630) 963-9573.**

Village Committees

With the election of a new Village Board this past spring, the Village Trustees were recently assigned their new roles as Committee Chairs. Following is a list of our Village Committees, a synopsis of their missions, meeting dates schedule for the rest of the year, and the committee chair.

ADMINISTRATION/FINANCE

Chair - Pat Klebenow

This committee deals with a variety of topics including personnel policy, administrative and financial issues, Clerk's Office activity and remodeling of Village Buildings. It also serves as liaison to the Environmental Improvement Commission and other taxing bodies in the village. Meeting dates: Oct. 3.

PUBLIC SAFETY

Chair - Steve Fedeczko

This committee discusses issues involving Village emergency services, as well as other issues relating to public safety. Meeting dates: July 18, Oct. 17.

PUBLIC INFORMATION

Chair - Lee Fleming

This committee assists with the scheduling and coordination of community special events as well as serves as a liaison with Village organizations. The committee also works with staff regarding the Village communication with the public. Meetings are typically held at 6:30 p.m. Meeting dates: Aug. 1, Nov. 7.

PUBLIC WORKS

Chair - Mark Forzley

This committee works with the Public Works Director regarding issues pertaining to the Street, Water and Engineering Depts. Meeting dates: Aug. 15, Nov. 21.

CODE ENFORCEMENT

Chair - Susann Senicka

This new committee works with various Village Departments to ensure proper and prompt enforcement of Village Codes. Meetings dates are: Sept. 6, Dec. 5.

BUILDING/ZONING

Chair - Nancy Martens

The Building/Zoning Committee is a liaison to the Planning & Zoning Commission, as well as oversees the rewriting of the Village Master Plan. Meeting dates: Sept. 19, Dec. 19.

CERT, Police and Fire Volunteers Earn Recognition

**JOE REICHL AND BILL WAVAK
EARN LIFETIME SERVICE AWARDS**

Members of the Westmont Citizens Police and Fire Academies, as well as members of the CERT program, were recently honored for their community service. The highlight of the ceremony was the presentation of lifetime service awards to Joe Reichl and Bill Wavak.

Individual awards were presented to Pat Klebenow, Greg Pantke, Bill Klass, Dawn King, Eric Klass, Gene Poulin, Jr., Lorenzo St. Luce, Kevin Scala, Rosemary Smeltzer, Bob Barr. Additional awards were presented to clerical volunteers for the Fire and Police Departments: Lisa Brady, Barbara Knapczyk, Tyra Mears, Marie Skala, Vivien Sharkey, Eleanor Lencioni, and Albert Rodde.

Presidential Service Awards were presented to community volunteers who organized and/or participated as an emergency service response team to assist the Florida hurricane victims in 2004. Recipients included Bill Klass, Eric Klass, Kevin Scala, Pat Klebenow, Rosemary Smeltzer, Yvonne Trout, Josefa Bolton, Joann Farley, Joyce Tngorra, Bob Barr, Ed Coulter, and Dawn King.

**The Village of Westmont thanks all of our wonderful
volunteers - you help make our community great!**

**Co-Sponsored by the Westmont Fire Dept.
and the Heartland Blood Centers**

Village of Westmont Community Blood Drive Thursday, July 28

The Westmont Fire Dept. is working in conjunction with the Heartland Blood Centers to coordinate a Community Blood Drive on Thursday, July 28, 2:30-6:30 p.m at the Westmont Fire Department Headquarters, 6015 S. Cass Avenue. To inspire more donations, there will be a special promotion in which all donors will receive a free quart of ice cream. It's just one more reason to help save a life.

For more information, contact Karen Schwarz at (708) 342-9773 or email kschwarz@heartlandbc.org. We thank you for your support.

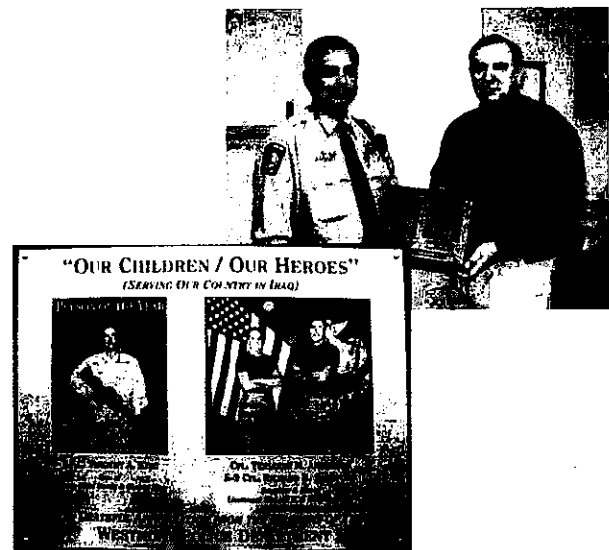

Police Department Honors Servicemen

Police Chief Randy Sticha and the Westmont Police Department recently presented a plaque to Lieutenant Richard Sandford and Deputy Chief Randy King, both of whom have children serving in the military in Iraq. Sticha presented them the plaque in honor of their children, PFC Timothy King, son of Randy and Sharon King; and Cpl. Terianne M. Anderson and S-2 Cpl. Richard B. Sandford, daughter and son of Lieutenant Richard and Mary Sandiford. The plaque has been proudly hung in the Westmont Police Department training center.

The plaque reads:

**Our Children/Our Heroes
(Serving our County in Iraq)
In grateful appreciation
from the members
of the Westmont
Police Department.**

The Village of Westmont honors and appreciates all who serve our country in our armed services.

Weekly Westmont Car Show Cruisin' thru the Summer

Westmont Cruisin' Nights has shifted into high gear! "It's been super the last few weeks," says Event Coordinator Tom Smith, admitting that weather plays a big role in turnout for the event.

The recent Squad Car Night, coordinated with the Westmont Police Department, had over 40 police vehicles from more than 30 area Police Departments. "It was fantastic," says Deputy Chief Tom Mulhearn. "We had more officers and children than ever before. We had fun and we think the visitors did too!" The return of "Barney Fife" was sponsored by the Westmont Special Events Corporation and was a big hit with the audience. A live DJ provides music for most events and The Crown Vics 50's rock group, sponsored by Uncle Jon's Music, will perform on August 4.

From the beginning, the goal of Cruisin' Nights was to bring customers into the downtown business community. "We're bringing in people from outside of Westmont," says Smith. "People see our downtown, then they come back. We've received a lot of positive comments from our participants."

For more info, call Cruisin' Nights Coordinator Tom Smith at (630) 963-9606. Following is this year's schedule:

CRUISIN' NIGHTS *Every Thursday through August*

July 14 - Motorcycles

July 21 - Mopar

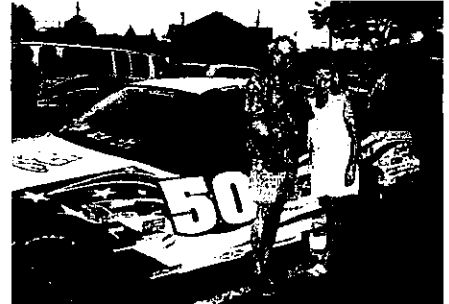

July 28 - Vettes & T-Birds

August 4 - Ford

August 11 - Mustangs

August 18 - Pontiac

August 25 - Cadillac & Lincoln

Summerfest August 12-14

Each August, the Westmont Park District hosts its annual Summerfest. Most of the activities are held at Veterans Memorial Park. Summerfest offers an assortment of musical entertainment, lots of food, and plenty of children's attractions.

Other special events include the weekend village-wide softball tournament, and the Summerfest Car Show on Sunday. For more information, check out the Park District website at www.wpd4fun.org or call (630) 963-5252.

Taste of Westmont Reminds Guests of Safety Guidelines

To ensure the safety of all guests, a few guidelines have been established.

No coolers allowed at event

The Taste of Westmont is able to offer free music through the purchase of beverages and food at the festival. Also, all alcohol consumed at the fest must be purchased at the fest so to ensure safety. We appreciate your cooperation.

No bicycles, rollerblades, scooters, etc. allowed in the festival

Because of the number of people at the fest, accidents can happen quickly. Residents who ride to the festival can lock their bikes at the bike racks near the commuter train station.

No pets allowed at the Taste

Due to the volume of people at the event, pets are at risk of being injured or injuring others. No pets will be permitted.

For more information, contact Larry McIntyre at specialerevents@westmont.il.gov or (630) 417-0280.

Taste of Westmont Celebrates 10th Anniversary Blue Village Revival and Muddy Waters Tribute Planned for Weekend Festivities

The Taste of Westmont began in 1996 as part of the Village of Westmont's 75th Anniversary Celebration. Each year the event has grown bigger and better, and this year promises to do the same. "We really wanted to do something special for the 10th Anniversary," says Westmont Special Events Corporation President Larry McIntyre. "We're planning a Blue Village Revival and a Muddy Waters Tribute, and gauging from the number of phone calls and emails we've been receiving, we're hoping for a big turnout!"

The Blue Village was a teen, rock and roll club in downtown Westmont in the late 60s and early 70s, located where the Cass and Burlington parking lot is today. The club was a huge success and attracted youths from throughout the area. Many local rock bands, as well as touring national acts, played The Blue Village including The Buckinghams, The Ides of March, a group featuring actor Joe Montenga on vocals, Deep Purple, The Byrds, and The Yardbirds featuring guitarist Jimmy Page. On July 9, the Taste of Westmont will feature four bands that played the Blue Village stage - Jamestown Massacre, The Maids, The Shadows of Night (G-L-O-R-I-A) and the Cryan' Shames (singing their huge hit Sugar & Spice and featuring DJ Bob Stroud on vocals).

Primer and Rick Kreher. Special guests will include blues artists Smokey Muddy Waters Way and the opening of a Muddy Waters historical exhibit at Westmont Centre, One South Cass Avenue. The exhibit will be open from 4-7 p.m. during the festival. Marva Morganfield, Waters' widow, and members of the Morganfield family will be on hand for the festivities.

The Taste of Westmont will also include an all-ages carnival, teen talent search contest on Saturday, youth gymnastics demonstration, beer-wine-margarita tent, bingo tent, WaFoA arts demonstration tent, WaFoA open stage event on Sunday, petting zoo and pony rides, local commercial and not-for-profit vendors, free music, and a record 21 food vendors - all from Westmont! For more information, check out the website at www.westmont.il.gov or call 630-629-WEST (9378). See you there!

*There's Always Something
To Do In Westmont!*

WESTMONT PARK DISTRICT SKATE PARK

Summer Hours

Open Daily - 10am-10pm - thru Sept.

Bellerive Park is home for the Park District's new, state of the art Skate Park facility. The facility was designed to accommodate skateboards, roller blades and bikes.

The Skate Park at Bellerive Park is supervised with a daily fee of \$2 for residents and \$4 for non-residents. 10-play passes are available for sale at the WCC. Helmets are required and children under 7 years old must be accompanied by an adult.

On July 10, the Taste of Westmont will have a Muddy Waters Tribute. Waters, widely considered the Godfather of the Blues, lived in Westmont from 1973 until he passed away in 1983. To honor the American Music Legend, there will be a musical tribute reuniting Muddy bandmates John Primer and Rick Kreher. Special guests will include blues artists Smokey Muddy Waters Way and the opening of a Muddy Waters historical exhibit at Westmont Centre, One South Cass Avenue. The exhibit will be open from 4-7 p.m. during the festival. Marva Morganfield, Waters' widow, and members of the Morganfield family will be on hand for the festivities.

Events denoted by an asterisk (*) have received funding from the Village of Westmont Hotel/Motel Tax Grant Fund.

U.S. Luge Search Comes Back to Westmont

Last year, the U.S. Olympics Luge Team came to Westmont to hold its regional slider search, in which Olympic hopefuls can try out for the U.S. luge training program. Approximately 100 children from throughout the midwest tried out and about 20 of the participants were invited to the next level of competition.

Because last year's event was so successful, the U.S. Luge program will come back to Westmont on Friday and Saturday, July 23 & 24. The Luge team was very appreciative of Westmont's warm reception in 2004. "In 15 years of conducting this program," says Slider Search Coordinator Fred Zimny, "we've never received a better welcome than we did in Westmont. Westmont is the only community to which we've returned for two consecutive years." The Village assisted with local publicity resulting on prominent area media coverage including a live video remote with NBC Ch. 5.

During the event, Cass Avenue will be closed from 55th Street to Dallas Street. The slope of Cass Avenue in this area provides a perfect location for the "street" luges. The tryouts are geared for children 10-16 years old. To sign up or obtain further information, contact the U.S. Olympics Luge program at (800) 872-5843.

Chamber Recognizes Community Achievements

The Chamber recently recognized community improvement at their Annual Awards Banquet. Following are this year's recipients:

Dick Busse Business of the Year
Mark Link of Uncle Bub's Restaurant

President's Award
Lennie Bowen of First DuPage Bank

Community Improvement Awards
30 North Antiques Allekinder
Amber Grill Big Bloomers
International Merchant Services Mayslake Village
Oak Brook Racquet & Fitness Club

Congratulations to the Chamber of Commerce and all of its member businesses.

Area Youth Provide Community Service

On Saturday May 14th, Campus Life students participated in the second annual Students Turning Responsibility Into Valuable Experience workday. Campus Life is a faith-based youth organization.

This year's Campus Life STRIVE workday combined 65 students with 20 adult volunteers. Together, they worked 8 hours, giving back 680 man-hours of community service. The purpose of STRIVE is to teach students the value of community service and demonstrate Campus Life's commitment to the community.

A team of students obtained supplies from the Westmont Street Division and proceeded to stencil storm sewers throughout the community. The stenciling project provides environmental awareness so that residents understand that storm sewers are intended for water drainage only -- no other liquids or materials should be deposited in a storm sewer. Another group of Campus Life students held an area food drive and collected, sorted and delivered over 13 tons of food to the local FISH pantry.

Campus Life is a program for area middle and senior high students and meets weekly with students through

the year in various locations. For more info, contact Mike Paull, Campus Life Director at (630) 588-0700.

Tree Care Tips: Tree Topping DON'T TOP TREES!

Helpful Information from Village Arborist Jon Yeater

Tree topping is the drastic removal, or cutting back, of large branches in mature trees, leaving large open wounds which subject the tree to disease and decay. Topping causes immediate injury to the tree and ultimately results in early failure and death of the tree. Tree topping is expensive, mutilating and obsolete, yet it still occurs widely throughout the Midwest. Lack of public understanding about proper tree care and belief of false tree myths are two major reasons why people pay to have their trees destroyed each year. Other names for this malpractice include stubbing, heading, heading-back, stubbing-off, tipping, hatracking, topping-off, dehorning, lopping, shaping, or roundover. In short, topping – by any name – is the worst thing to do to the health of a tree.

As a homeowner you must educate yourself and make wise choices to protect your home and property – including your trees. A tree is a valuable asset, adding great value to your home. As a long-term investment, trees require careful decisions and occasional advice and service of a professional. Here's what you can do to protect your trees:

- * Hire only competent, insured and certified tree care professionals.
- * When seeking a tree service, check the company's topping policy. If they say top, don't let them near your trees.
- * Find out if the individual or company carries professional certification, particularly through the International Society of Arboriculture (ISA). The ISA conducts extensive courses and certifies those who pass an industry-based exam.
- * Most importantly, never let yourself be pressured by bargains. The old saying, "you get what you pay for" truly applies here.

Trees are assets to the Village and to you as a homeowner, whether on the parkway or private property. They require a certain amount of care, and proper care is essential. It takes many years for a tree to become established and mature, but only a matter of moments to be defaced or destroyed. Please, for the health of our 'urban forest', DON'T TOP TREES! If you have any questions or comments about the previous article or have any topic suggestions or questions you would like answered in an upcoming edition of the Village Newsletter, please e-mail ISA Certified Arborist Jonathan Yeater at jyeater@westmont.il.gov.

Down to Earth Westmont Garden Club

If you are interested in creating a new garden, maintaining your existing garden, or meet with others who enjoy and have the same interests, then the Westmont Garden Club might be for you. The Westmont Garden Club provides a forum for people to share information and experiences regarding gardening.

The club meets the first Monday of each month at 7 p.m. at the Park District Community Center, 75 E. Richmond.

All interested persons are invited to attend and help plan future programs, demonstrations, and garden walks. Nadine Smith and Sarah Monette are the 2005 co-chairs for the club.

Sprinkling Restrictions

Each year, the Village enacts water sprinkling restrictions from May 15 through Sept. 15. The restrictions only apply to mechanical sprinkling of lawns and gardens. Water sprinkling by hand is allowed. **Properties having odd-numbered street addresses are allowed to sprinkle their lawns from 7-11 a.m. and 7-11 p.m. on dates of the month having an odd number. Properties having even-numbered addresses are allowed to sprinkle their lawns from 7-11 a.m. and 7-11 p.m. on dates of the month having an even number.**

During extreme water shortages, the Mayor has the authority to ban the use of water outside a home or business, except for the extinguishment of fires and emergencies. Any person, firm or corporation convicted of violating the provisions of this shall be subject to a fine ranging from \$25 to \$200 for each violation. The watering of trees, shrubs, flowers and gardens shall be permitted at all times by means of handheld devices.

POETRY MONTH A BIG SUCCESS

The Westmont Library recently celebrated Poetry Month with several special events. The events were co-sponsored by the Westmont Library, the West-

mont Area Friends of the Arts (WaFotA), and the Westmont Special Events Corporation (WSEC).

The first was a poetry writing workshop for children. Two published poets from Westmont, Tom Moran and Wilda Morris

(pictured at right), organized the workshop along with the help of a few parents and teachers.

The second event was an evening of poetry for the adults. Approximately 50 people turned out to share their poetry with each other. The success of these two events may lead to this being an annual event.

Thanks to everyone who helped with the event.

Village and Public Agencies Play Meetings on Ch. 6 & 16

Communication is very important in the Village of Westmont. One of the ways in which the Village works to keep residents informed regarding their local government is through the recording and playback of public meetings. Approximately 10 meetings are recorded each month. Cable ch. 6 is devoted to municipal government programs and ch. 16 plays back programs regarding other taxing bodies and community organizations. Following is the current playback schedule for the two channels:

Cable Ch. 6 Program Schedule

Village Board - All Westmont Village Board Meetings are aired live and played back on cable ch. 6. Meetings are played back daily at 3 p.m., Monday through Friday at 12 midnight, and at 7:30 p.m. on weekends.

Planning & Zoning - All P/Z Meetings, held on the second Wednesday of each month, are aired live. Meetings are played back every day at 11 a.m.

Communications - All Communications Commission Meetings, held on the third Wednesday of every other month, are aired live. Meetings are played back Saturdays and Sundays, 2 & 9 a.m.

Environmental Improvement - The EIC meets on the fourth Monday of each month. Most EIC meetings are aired live and play back on Saturdays and Sundays at 7 a.m. and 12 midnight.

Promote Westmont - The PWC meets on the third Thursday of each month. Meetings air live, and are played back Monday through Friday at 7 a.m.

Cable Channel 16 Program Schedule

Chamber Connection - The Chamber Connection is a regularly produced program by the Chamber of Commerce that highlights local businesses. The program plays back daily at 5 a.m., 1 p.m. & 6 p.m.

Special Events Programming - When local special event programs have been produced, they will play back daily at 7 a.m. and 7 p.m.

Library Board - The Library Board meets at 7 p.m. on the second Tuesday of each month. Meeting are played back on Tuesdays at 9 a.m., 2 p.m. & 10 p.m.

Park Board - The Park Board meets at 6 p.m. on the second Thursday of each month. Meetings are played back on Thursdays at 9 a.m., 2 p.m. & 10 p.m.

Westmont Jaycees Win National Award

The Westmont Jaycees were recently awarded national honors by the U.S. Jaycees organization. The Westmont Jaycees won first place in the Professional Development category and second place in the overall Individual Development area for their Job Skills project. The project, chaired by James Holy, was held in March of 2004 at the Westmont Community Center. The author of the book "Getting Your Foot in the Door When You Don't Have a Leg to Stand On", Rob Sullivan, donated his time to show attendees how to put a resume together. Jaycee members Chris Svitak and Julie Veit worked with the group to show them how to answer questions during a job interview. Approximately 50 people attended the program.

"The Illinois Jaycees are proud of the Westmont Jaycees and the outstanding individuals who participated in this project," said Lucia Irwin, President of the Illinois Jaycees. "These Jaycees have achieved success in this rigorous competition with a project that helped the Jaycees and community residents learn an important life skill."

The Westmont Jaycees conduct several area projects throughout the year including the annual Oktoberfest and Haunted House programs. Funds raised from these events and other projects are used to conduct training, fund other community projects and to make donations to local charities. The Jaycees provide individuals between the age of 18 and 40 the opportunity to develop personal and leadership skills while serving their community. The Westmont Jaycees hold their monthly business meeting on the fourth Thursday of the month at the Westmont Knights of Columbus Hall at 25 N. Cass Ave. at 7:00 PM. The Westmont Jaycees encourage the public to attend and get involved. **For more information, please call (630) 964-5583 or visit www.westmontjaycees.org.**
